

PIAZZETTA DESIGN SURROUND: ELEMENT

Linear Woodburning Fireplace

Light up a feature wall with the TCW120, the first wood-burning fireplace from Town & Country, and the first linear wood fireplace made in North America.

The TCW120 is not your average fireplace. EPA qualified, the TCW120 decorative woodburning fireplace features clean-glass AirWash Technology for a clear view of its warm, expansive flame.

To compliment the TCW120's unique architectural approach for your home, choose from Town & Country's exclusive collection of hand-crafted ceramic surrounds by Italian manufacturer, Piazzetta.

PRODUCT FEATURES

- 48" linear, EPA qualified wood burning fireplace
- AirWash technology channels airflow to keep the glass door spotless
- ALUKER® interior panels capture, retain and radiate energy for stable, high-efficiency heating
- Single-lever, left or right swinging door
- Boost air system for quick and easy lighting
- 150,000 BTU
- 5 kg burn rate
- 8-inch flue
- Optional Surrounds by Piazzetta, Italy
Element, Wave, Grace

Please note: Due to elevation and fuel type, flame characteristics may not be exactly as shown.
