

Introducing the Patriot Direct Vent Fireplace System by Monessen

STYLISH AND SAVVY

Designed with the home builder or renovator in mind, the Patriot system boasts an abundance of enviable features yet remains highly functional, economical and flexible enough to suit any space, design or décor. You'll love the clean contemporary design which, paired with a traditional log set or the sleek fireglass media, will add understated, affordable elegance to any room.

THE PATRIOT DIRECT VENT FIREPLACE SYSTEM

Key Features

- Rear/top field convertible
- Single burner makes transitioning from a classic log set to contemporary fireglass a snap.
- Comes standard with beautiful ceramic fiber log set, ember bed and lava rock.
- Millivolt or IPI control units available with ON/OFF wall switch. IPI comes standard with cold climate pilot setting.
- Easy access control door
- Traditional model available with choice of two optional firebrick colors or porcelain panels
- Optional battery back up kit (for IPI units only)
- Optional remote three step flame control kit
- Contemporary model available with porcelain panels, fireglass kits and contemporary stone/glass kit
- Optional fans and remotes available

Contemporary glass and stone kit with black porcelain panels
